For: HEPATIC PROGENITORS AND METHODS OF ISOLATING SAME

**INFORMATION DISCLOSURE STATEMENT**

Honorable Commissioner of  
Patents and Trademarks  
Washington, D. C. 20231

Sir:

In accordance with the provisions of 37 C.F.R. 1.56 and 37 C.F.R. 1.97-1.98, it is requested that the reference(s) listed on the attached Form PTO-1449 be made of record.

The Form PTO 1449 Form listing the references cited during the prosecution of Continuation Application Serial No. 09/154,222, filed September 16, 1998; which is a Continuation of Application Serial No. 08/757,336, filed November 27, 1996 and issued as U.S. Patent No. 6,069,005; which is a Continuation of Application Serial No. 08/548,075, filed October 25, 1995; which is a Continuation of Application Serial No. 08/155,939, filed November 19, 1993; which is a Continuation-in-Part of Application Serial No. 07/741,128, filed August 7, 1991, is attached. The Examiner is requested to consult the official file of the above mentioned Applications for copies of the references in accordance with the provisions of 37 C.F.R. § 1.97 and 1.98(d).

It is respectfully requested that the references be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

This Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits.

AUTHORIZATION

No fee is required. The Commissioner is hereby authorized to charge any additional fees which may be required for this submission, or credit any overpayment to deposit account no. 50-0436.

Respectfully submitted,

PEPPER HAMILTON LLP
